

UNITED STATES BANKRUPTCY COURT
EASTERN DISTRICT OF MICHIGAN
SOUTHERN DIVISION

In re:

Case No. 14-58290

KEITH RANDOLPH LEWIS,

Chapter 7

Debtor.

Judge Thomas J. Tucker

_____ /

ORDER DISMISSING CASE

On November 25, 2014, Debtor purportedly filed, electronically through his attorney, a voluntary petition for relief under Chapter 7, which did not contain the Debtor's signature (Docket # 1). (Neither was it signed by Debtor's attorney.) On November 26, 2014, the Clerk of the Court filed a Notice of Deficient Filing (Docket # 12), which indicated that the voluntary petition was deficient because of the missing signature, and which stated, in relevant part:

A corrected/missing document must be filed with the court within seven (7) days of this notice. If not corrected, the case may be dismissed or an order striking the document from the record may be entered by the Court. The new document filed should be identified as "CORRECTED".

On December 3, 2014, Debtor electronically filed a corrected Chapter 7 petition, which contained his signature, but that document was stricken because an incorrect ECF event code was used by Debtor's attorney, and there was no required cover sheet for the amended petition (*see* Docket ## 16, 17).

To date, Debtor still has not properly cured the deficiency described in the November 16, 2014 deficiency notice. Accordingly,

IT IS ORDERED that this case is dismissed.

Signed on December 08, 2014
